PLATINUM PROTECTION SERIES™

For a safer, more peaceful ride.

Introducing the Platinum Symphony™ DLX All-In-One Car Seat

Our award-winning Platinum Symphony™ DLX Car Seat boldly carries forward our passion for products that contribute to a safer more peaceful ride.

What is Platinum Protection?

- **OUTLAST® Technology**, a temperature-regulating fabric that keeps your baby comfortable during hot or cold weather, which means a safer, more peaceful ride for everyone.
- **Buckle Pockets** neatly and smartly tuck the buckle tongues away – making it easier and safer to get a child in and out of the seat. No more digging around for lost buckles or hot buckle tongues during warm weather that can burn your child.

Rated a "Best Bet" Booster by the Insurance Institute for Highway Safety.

"#1 Rated Car Seat" by a leading consumer magazine.
